Powering Potential

## **Can you support a watch party at your school?**

This year the **EDDY Awards** will be broadcast live on Channel 4 WJXT and [news4jax.com](http://news4jax.com) on Wednesday, January 27th at 12:30 pm. Our school community will be hosting a watch party to celebrate our teacher of the year and the hard work of all of our city's educators.

To make this day magical, we need donations of food, beverages, and special treats for the classroom.

If you can help, please email Dryden Mills [dryden@jaxpef.org](mailto:dryden@jaxpef.org). We will let you know what is needed at your school and how you can help!
