Powering Potential

**Support the 1-Mill County Referendum Continuation
this November 3rd Elections**

**STRENGTHEN
CLASSROOMS**

Strong public schools are an economic priority for students to become the professionals, leaders, and business owners, our city needs.

**PROTECT
PROGRESS**

The renewal continues current local investment to support our public school students with enhanced art, music, and athletic programs while improving educator compensation to help continue student success and preparation for college, careers, & life.

**SUPPORT
EDUCATORS**

Over a decade of JPEF research shows strong community support of prioritizing, attracting, and retaining high-quality teachers through compensation improves student success in Duval County.
